**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

It is important to have competition in the business world. Companies like AT&T must not have a monopoly over the Internet. It is unethical to deny competitive companies such as Sonic.com to provide excellent service and options to their customers. Small businesses are the reason this country stand strong, because it prevents price hikes and blocking services in certain areas.
